FOR SERVICES RENDERED

August 1994

OSHA Ruling

- Continued work on the technology paper with an emphasis on Honeywell and Trion technologies.
- Continued work on comments to be made by the Hospitality Coalition at the OSHA hearing.
- Revised the comments that will be submitted by the Dale City Veterans of Foreign War Post.
- Visited the OSHA docket room to examine the list of IAQ comments and witnesses.
- Drafted comments for the Club Managers Association of America.
- Held discussions with Bill Wilson of the Virginia Bed & Breakfast Association.
- Held discussions with Trion Company to obtain scientific studies regarding the effectiveness of their filtration systems with ETS.
- Drafted comments for the National Licensed Beverage Association (NLBA).
- Drafted Notice of Intent to Testify letters for the three testifiers from the NLBA.
- Held discussions with the American Hotel & Motel Association (AHMA) regarding the comments they will be submitting to OSHA.
- Reviewed the OMB circular on the guidance for agency use of voluntary standards.
- Drafted a paper explaining the current state of technology regarding filtration systems.
